Uncompromisingly good. Impressive performance data.

Intelligent charging technology for electric cars

- Suitable for garages, carports, or the outdoors
- Compact dimensions and distinctive design
- Intuitive operation and cost-effective plug and play solution
- Easy installation by electrician or installation service
- Maintenance-free, therefore no follow-up costs
- Energy-saving standby mode in idle mode
- Secure access lock optional

Ready to use anywhere – the permanently mounted Wallbox

As a stationary charging device, the Heidelberg Wallbox Home Eco is permanently installed on the wall. It can be used in garages as well as in carports and outdoors. Its safety class and solid, durable metal housing mean the Wallbox is also perfectly at home in the open.

The Heidelberg Wallbox Home Eco offers intuitive operation, an exceptional design, and compact dimensions. Thanks to built-in DC residual current detection, installation costs are reduced to a minimum.

Heidelberg – charging technology made in Germany

The name Heidelberg stands for state-of-the-art solutions in the print media industry. The electronics are a key success factor here. This expertise acquired over many years is also being put to use in the development of intelligent applications such as reliable and durable charging systems for electric mobility.

Technical data

Charging standard	DIN EN 61851-1
Charging capacity	adjustable up to 11 kW
Vehicle charging plug	Type 2
Dimensions	295 x 386 x 117 mm (W x H x D)
Rated voltage	230 V/400 V/AC
Rated current	16 A
Rated frequency	50 Hz
Supply line connection	Spring clamp technology (2.5mm ² to 6mm ²)
Charging cable length	3.5 m / 5.0 m / 7.5 m
Access lock (external possible)	Optional RFID / key switch / coin / keypad
Operating temperature	-25 °C to +40 °C
Residual current detection	6 mA DC (integrated)
Safety class	IP54 (splash-proof)
Product approval	CE compliant
LED button	Operating status indication and system reset
Packaging	Disposable cardboard box incl. operating manual and installation instructions
